

**DECLARATION OF INTERNATIONAL ACADEMIC COOPERATION  
FOR THE DEVELOPMENT OF CONTINUING EDUCATION PROGRAMS**

**San Ignacio University** (SIU), an academic institution duly licensed by the Florida Department of Education through its Commission for Independent Education (CIE), hereby officially declares the existence of an International Academic Cooperation Agreement entered into with **CAPACITATION AND ENGINEERING ONLINE ACADEMY S.A.C.** (CEO Academy).

The purpose of this agreement is **to strengthen the professional and academic competencies** of participants through institutional collaboration between both entities, promoting the development of continuing education programs and the issuance of continuing education certificates granted by **San Ignacio University** and **CEO Academy**, in accordance with the terms and conditions established in the duly executed interinstitutional agreement.

**San Ignacio University** reaffirms its commitment to **academic excellence, lifelong learning, and the creation of professional development opportunities** for students participating in the programs conducted under this framework of cooperation.

The full text of the agreement is maintained under institutional custody. This declaration provides a summary of its academic scope for public awareness.
